Fink - This is the Thing

D G  
I don t know if you notice anything different.  
D G  
It s getting dark and it s getting cold and the nights are getting long.  
D G  
And I don t know if you even notice at all,  
D G  
That I m long gone.

D G  
And the things that keep us apart,

Keep me alive.

D G  
And the things that keep me alive,  
F G

Keep me alone.

D  
This is the thing.

D G  
I don t know if you notice anything missing,  
D G  
Like the leaves on the trees or my clothes all over the floor.

D G  
And I don t know if you even notice at all,  
D G  
Cause I was real quiet when I closed the door.

D G  
And the things that keep us apart,

Keep me alive.

D G  
And the things that keep me alive,  
F G

Keep me alone.

D  
This is the thing.

D G  
And I don t know if you notice anything different.

D G F G  
I don t know if you even notice at all.
