

I Don't Miss You At All
FINNEAS

[Intro] Dm Am G
C Dm Am

Dm Am G
I swear I don't
C C9/D Am
Miss you at all
Dm Am G
And I barely still remember
C C9/D Am
Who's in the pictures on my wall
Dm Am G
Cause, no, I can't
C C9/D Am
Recall your scent
Dm Am G
Jasmine tuberose and lily
C C9/D Am
Or your silly French accent
Dm Am G
All but forgotten
C C9/D Am
About those eyes
Dm Am G
The shade of green that if he'd seen
E
Would make F. Scott Fitzgerald cry

Dm Am G
But I won't
C C9/D Am
Break down at 2AM and call
Dm Am G
Cause I don't

Miss you at all

Dm Am G
And I'm sleepin' fine
C C7M(9)/B Am
I don't mean to boast
Dm Am G
But I only dream about you
C C9/D Am
Once or twice a night at most
Dm Am G
And it feels so good

C C7M(9)/B Am

Eating alone

Dm Am G

I don t get distracted by your smile

C C9/D Am

And miss the green lights driving home

Dm Am G

No sign of stopping

C C7M(9)/B Am

The house isn t far

Dm Am G

But I think our song is coming on

E

And now I wanna crash the car

Dm Am G

But I won t

C C9/D Am

Make that mistake again and fall

Dm Am G

So I say I don t

C C9/D Am

Miss you at all

Dm Am G

And someday I won t

Miss you at all
