

I Lost a Friend
FINNEAS

[Primeira Parte]

B **E**
I lost a friend
E **C#m**
Like keys in a sofa
G#m
Like a wallet in the backseat
F#
Like ice in the summer heat
E
I lost a friend
C#m
Like sleep on a red-eye
G#m
Like money on a bad bet
Like time worrying about
B **F#** **E**
Every bad thing that hasn't happened yet

[Pré-Refrão]

E **C#m**
I know I'll be alright, but I'm not tonight
G#m **F#**
I'll be lying awake counting all the mistakes I've made
E
Replaying fights
C#m **G#m**
I know I'll be alright, but I'm not tonight
B
I lost a friend, I lost a friend

[Refrão]

E **C#m**
I lost my mind, and nobody believes me
G#m
Say, I know that he doesn't need me
B **E**
Cause he made a little too much money to be 20 and sad
C#m
And I'll be fine without 'em
G#m
But all I do is write about 'em
B **E** **Em**

How the hell did I lose a friend I never had?

B

E

I m on the mend

C#m

Like I m wearing a neck brace

G#m

Like I m sleeping in my own place

F#

Like I m pulling all the stitches out of my own face

E

I m on the mend

C#m

Like I m icing a new sprain

G#m

Like I m walking on a new cane

Like it s been a couple days

B

E

Since I slipped and said something sorta like your name
