

Life Moves On

FINNEAS

E B D C#m A
She said you always had a way with people
E A
A way of letting them leave
E D C#m
My hands could be the church to your fingers steeple
E A
But you talk so mean
F#m
She said you know I love you
A
I said remind me

E
Life moves on
B
The way life does
D
But some things are prettier
C#m
The way life was
F#m A
Before we gave each other love, gave each other love
B E
Life moves on
The way life does
D
But some things are prettier
The way life was
F#m A
Before we gave each other love, love
E
And broken arms

[Instrumental] **E D C#m B A**

E
Her silhouette
G# D
Glowed so familiar
C#m B
Through
A
That blood red curtain
E G#m
I stood with strangers, gazing
D C#m B

At the girl, that I once knew

A

But I've grown uncertain

F#m

She said It's just a bad dream

A

But she looked too happy

B **E**
Life moves on

B

The way life does

E

But some things are prettier

The way life was

F#m

A

Before we gave each other love, gave each other love

B **E**
Life moves on

B

The way life does

E

But some things are prettier

The way life was

F#m

A

E

Before we gave each other love, love

[Instrumental] **C#m** **B** **A**

E

Life moves on

B

The way life does

E

But some things are prettier

The way life was

F#m

A

Before we gave each other love, love

E

Life moves on

B

The way life does

E

But some things are prettier

D

The way life was

F#m

A

E

Before we gave each other up
