

Shelter  
FINNEAS

There s no one else, could ever hold me, like you do  
There s nowhere else, I d rather be than with you  
They call us lucky, but I think we might be cursed  
Cause the way you love me  
I could drink the river dry, and still die of thirst

Give me, give me shelter, from the storm  
Give me, give me shelter, keep me warm  
Come kiss me by the delta, where the river s torn  
But I ll be whole  
As long as I m yours  
Yours

There s no way out, the city sinks into the sea  
But if we go down, at least I m in good company  
They call us hasty, and I think they might be right  
But I know that I d be crazy  
Not to wanna be the one to keep you up all night

Give me, give me shelter, from the storm  
Give me, give me shelter, keep me warm  
Come kiss me by the delta, where the river s torn  
But I ll be whole  
As long as I m yours  
As long as I m yours, Yeah, yeah, yeah, yeah

**Bm**

(I don t wanna, I don t wanna, I don t wanna, I don t wanna)

**G** **A** **Bm**  
I don t wanna think about a life without you

**G** **A**

**G** **A** **Bm** **G** **A**
