

**I Know**

**Fiona Apple**

This is a gorgeous song, played in 6/4 time, very slowly.

Forgive the funny spacing, I've tried to lay out the chords in correspondence to the words. You really have to hear the song to get it precise though.

[Intro]

**C Fm C Fm**  
**C Am G C**

[Verse 1]

**C Fm**  
So be it I'm your crowbar  
**C Fm**  
If that's what I am so far  
**C Am G C**  
Until you get out of this mess  
**C Fm**  
And I will pretend  
**C Fm**  
That I don't know of your sins  
**C Am Gm F**  
Until you are ready to confess

[Chorus]

**F Dm F7 D7**  
But all the time, all the time  
**C F C F**  
I'll know, I'll know  
**C Fm**  
And you can use my skin  
**C Fm**  
To bury secrets in  
**C Am G C**  
And I will settle you down  
**C Fm**  
And at my own suggestion  
**C Fm**  
I will ask no questions  
**C Am Gm F**  
While I do my thing in the background  
**F Dm F7 D7**  
But all the time, all the time

I ll know, I ll know

E    Am    (two measures each chord)

**A**m       **D**       **F7**                     **G**

It s ok, don t need to say it...

[Outro]

C Fm (six measures, ending on C)
