

On The Bound
Fiona Apple

This is my first attempt at doing any of this type of thing, so please, be gentle...

On the Bound
By: Fiona Apple

Intro: Fm E Fm (play this twice before stating the words...)

then continue on with the Fm E Fm pattern through the chorus.....

[illegible]

then for the chorus, just play Fm Dm

Fm Dm
You re all I need

Fm Dm
You re all I need.....

then go to the next verse, that continues as same as the first verse...

Fm
I don t know what I m doing don t know should I change my mind
E **Fm**
I can t decide there s too many variations to consider.....

then the second chorus is the bridge and all it consists of is Fm and C#

Fm **C#**
Baby lay your head on my lap one more time
Fm **C#**
Tell me you belong to me

then go back to the Fm E part for awhile (there s a solo, but I don t know how it goes)
and then go back to the chorus

And that s it. The song is pretty easy. To get the strumming just listen to the CD When the Pawn... it s really great.
