Firefall Only A Fool written by Rick Roberts

E C#m E B
In a moment of madness I let you say goodbye
A B E
You never miss your water till the well runs dry
E C#m E B
Now this feeling of sadness has made me change my mind
A B E
If I could do it over I d try to do it right this time
B E B E
Even a fool like me should know only a fool would let you go
E C#m E B
I was waiting for someone to take the place of you
A B E
And bring me back that feeling that use to be so easy with you
C#m E B
In the middle of waiting the truth came rushing in
A B E
That I could wait forever and never have that feeling again
B E B E
Even a fool like me should know only a fool would let you go
E C#m E B
If I d only known better the things I could not see
A B E
Didn t know I loved you didn t think it mattered to me
C#m E B
So I sit and remember the love I threw away
A B E
My pride was more important than the words I wanted to say
B E B E
Even a fool like me should know only a fool would let you go

E

Don t go please don t go
