NC A C#m E B
This is for those who wait

C#m
Another day, another waiting game
A little different but it s still the same E
(B)
I am here, but where s the One I m longing for?

C#m
I m having trouble, feeling all alone
E
Will my heart ever find a home?
(B)
I want to hope but sometimes I just don t know

B F#m
I know I m not the only one

Chorus

A C#m E
So we sing a lullaby to the lonely hearts tonight
B
Let it set your heart on fire, let it set you free
A C#m
When you re fighting to believe
E
In a love that you can t see
B
Just know there is a purpose for those who wait

I wanna open up my eyes
I know that all I need is time
I m growing stronger every single day

God, I m going to lean to You now
Letting go of all my fear and doubt
I can t do this on my own so I ll give You control

I know I m not the only one

Chorus

C#m	E
The pressure makes us stronger	
	B
The struggle makes us hunger	
F#m	C#m
The hard lessons make the difference	
(C#m)	E
The pressure makes us stronger	
	B
The struggle makes us hunger	
F#m	C#m
The hard lessons make the difference	
E (hold)	
And the difference makes it worth it	

Chorus

Let it set your heart on fire...
This is for those who wait
