NC G Bm D A
This is for those who wait

Bm
Another day, another waiting game
D
A little different but it s still the same
(A)
I am here, but where s the One I m longing for?

Bm
I m having trouble, feeling all alone
D
Will my heart ever find a home?
(A)
I want to hope but sometimes I just don t know

A Em
I know I m not the only one

Chorus

G Bm D
So we sing a lullaby to the lonely hearts tonight
A
Let it set your heart on fire, let it set you free
G Bm
When you re fighting to believe
D
In a love that you can t see
A
Just know there is a purpose for those who wait

I wanna open up my eyes
I know that all I need is time
I m growing stronger every single day

God, I m going to lean to You now
Letting go of all my fear and doubt
I can t do this on my own so I ll give You control

I know I m not the only one

Chorus

Bm **D**
The pressure makes us stronger
A
The struggle makes us hunger
Em **Bm**
The hard lessons make the difference
(**Bm**) **D**
The pressure makes us stronger
A
The struggle makes us hunger
Em **Bm**
The hard lessons make the difference
D (hold)
And the difference makes it worth it

Chorus

Let it set your heart on fire...
This is for those who wait
