

Here And Now
Fireflight

F#m **A**
Lonely moonlight guides my eyes right to the door
A/D
So many nights I d lay here wondering will I ever cross the floor
F#m **A**
Slipping from my grip no matter what I d do
A/D
All the dreams I held so tightly I could not stop from falling through
E **F#m** **D**
But right here with you everything s changing

You change me

You change things

A
Here and now
D
Never felt like this before
F#m
And it s the moment I ve been waiting for
D
Been waiting to step into the future
E
Step into the future
F#m **A**
Here and now

Feels like flying realizing that there s more

A
Here and now
