

Prove Me Wrong
Fireflight

Intro: **Bm G9**

Bm **G9**
Fresh tracks of tears upon my face
F# **Em**
Trace the pain i can t erase
A
I shut the door and lock myself in
Bm **G9**
I try to hide the shame i feed
Em
Bleed the source of my disease
A
I don t think love can go where i ve been
Em **G**
There s just no hope that i can see

(Refrão)

D **A**
You prove me wrong, you prove me wrong
Em
When i m fighting for my broken heart
G
I tear my whole world apart
D **A**
You prove me wrong, you prove me wrong
Em
You see the me that no one does
G **D**
And you show me at last i can be loved

(Repete intro)

Swallow the memories that hurt
Burn the pages and unlearn
This mask i wear i ve worn for too long
You found a way through my regrets
Spread the light to guide my steps
Out of darkness to where i belong
I can t fall when you carry me

(Refrão)

D **A**
You prove me wrong, you prove me wrong
Em

When i m fighting for my broken heart

G

I tear my whole world apart

D

A

You prove me wrong, you prove me wrong

Em

You see the me that no one does

G

D

And you show me at last i can be loved

I thought there was nothing left

I thought all my hope was dead

You brought me to life

Your love s become the air i breathe

You mean everything to me

I am finally free from the lies

D

A

You prove me wrong, you prove me wrong

Em

When i m fighting for my broken heart

G

I tear my whole world apart

D

A

You prove me wrong, you prove me wrong

Em

You see the me that no one does

G

D

And you show me at last i can be loved
