[Intro]

C

[Verse 1]

G F
If you re going to run then you better run fast
C G F
Always been told that the good can never last
C G F
Only sky above me and water below
C G F
The further from you than ever before

C G Am
So I wait to break each memory down
F
As they pass by
C G
We both make our mistakes
Am F
And I know that there s no telling why

[Verse 2]

C G F
I ve had dreams of where this life of mine could lead
C G F
Pictured stormy romances, and heroic deeds
C G F
I ve never thought I d end up where I am
C G F
If I know anything it s nothing goes as planned
C G
Now the sun s coming up
Am F

The world spins on the same old song

C **G**
Im still here, I miss my feet

Am **F**
With nothing to fall back upon

[Chorus]

F **C**
What if this is all that we get

F **C**
All that is dealt to us

F **C** **G**
Then is that really not enough?

F **C**
There are many places to go

F **C**
Faces we ll never know

F **C** **G**
But I got you and that s enough

C
That s more that enough

[Bridge]

Em **F** **C**
I m tired of looking for truth, for answers

Em **F** **C** **G** **F**
No clue seems to be found as to where I m bound

C
Where I m bound

C **G** **F**
If you re going to run then you better run fast

C **G** **F**
Always been told that the good can never last

[Chorus]

F **C**
But if this is all that we get

F **C**
All that is dealt to us

F **C** **G**
Then is that really not enough?

F **C**
There are many places to go

F **C**
Faces we ll never know

F **C** **G**
But I got you and that s enough

C
That s more that enough
