

In The Morning
First Aid Kit

Fun song to sing with a partner, very easy too :)

Capo on 5th Fret. Listen to the track for strumming.

(Roll D, then acapella)

In the morning
On your journey to the sea
In the mountains
Your shadows beside me

Am G D
You crossed the pasture land

Am G D
And threw your wedding band

Am G D
Into the great deep

Am G D
Where you'd rest to sleep

Am G D
My dear

Am G D
In the oceans where you lay

Am G D
Where you've made your grave

Am G D
They'll find you on the shore

Am G D
Rosy no more

Am G D
My dear

(Roll D, the rest is acapella)

In the morning
On your journey to the sea

You crossed the pasture land
And threw your wedding band
Swallowing the seed
Of truth
