[Intro]

G Am C G

[Verse 1]

There s this image of you that I can t shake
Am
That day we drove out to the ocean
C G
So many things I wanted to say
Am
But I knew it was all in vain
C G

Am Em
Life doesn t give you hoops to jump through
Am Em
It gives you tireless roads to cross
Am Em
The sadness came over me
Am Em
So in love, so at loss

[Chorus]

F C
I ve wanted you
G
For so very long

[Verse 2]

Am
I ve been feeling so inbetween things
C G

Sad and stuckin alone

Am

Even when I m as high as I can get

C

G

I can t forget I m on my own

Am

Em

Keep thinking I can escape this

Am

Em

But there are no red shoes to tap

Am

Em

Just endless hauling through a desert

Am

Em

And babe there never was a map

[Chorus]

F

C

But I ve wanted you

G

For so very long

Em C G

Ooh ooh ooh

Em C G

Ooh ooh ooh

[Verse 3]

Am

All the people I have grown to love

C

G

That I ve had to leave behind

Am

Because that was the way the road turned

C

G

I m sorry I have let you down

Am

Em

You caught me in a moment

Am

Em

When I was trying to catch the wind

Am

Em

Thought there was some kind of magic

Am

Em

But there s just well-executed tricks

[Chorus]

F

C

I ve wanted you

G

For so very long

[Verse 4]

Am
This is what time does to us
C **G**
We try to fight and never win
Am
There s no plot to follow here
C **G**
Just repetition of the same old sin

Am **Em**
I keep thinking that I ve found it
Am **Em**
A way to fill up the empty parts in me
Am **Em**
If it s all temporary
Am **Em**
I guess I ll have to wait and see

{Chorus}

F **C**
I ve wanted you
G
For so very long

Em **C** **G**
Ooh ooh ooh
Em **C** **G**
Ooh ooh ooh

[Verse 5]

Am
The woman who lives above me
C **G**
I hear her listen to the radio
Am
She loves the old time stations
C **G**
They say
