I think I recognize a friendly face I ve seen before, (don t you despair)  
 It s moving far too quickly to be sure,  
 Tangled in a web of twisted memories and lies, (There s no one there)  
 I m fighting for a reason to go on.

Pretty paracetamol you soothe my aching brow,  
 I need you when my heard is spinning round,  
 I multiply myself by two in the mirror of the wall,  
 But id don t help me, no it don t help me,  
 First impressions often lie,  
 They often fool the naked eye.

I think I ve lost control, I think I ve lost control,  
 I think I ve lost control, I think I ve lost control
