FISHBONE - Ma & Pa

Excellent song, only has like four chords. If you re not familiar with funk/ska chords,
these ones are basically barre chords, but missing off the lowest couple of strings:

Bbm Ebm Ab Db
E--6---6---4---4--
B--6---7---4---6--
G--6---8---5---6--
D--8---8---6---6--
A-----
E-----

No guarantees this is right, but it sounds pretty coolass.

INTRO: (strum these out)

Bbm Ebm Ab Db

(ska rhythm now)

Bbm Ebm Ab Db (x3)

..... **Ab Bbm**

VERSE:

Ab Db (x4)

Bbm Ebm (x4)

CHORUS:

Bbm Ebm Ab Db (x2)

(skip this part the first time)

Bbm Ebm

Ab Bbm Ab Bbm

FILL: (strum these out)

Bbm Ebm Ab Db

ENDING: (strum)

Bbm (x a bunch of times)

enjoy! FISHBONE
