Fisher-Z (John Watts) - Marliese

This is one of my favourite songs. Enjoy!

G **C** **G** **C**

I told them I take photos for this magazine.

G **C** **G** **G**

They let me in to see you comb your hair.

C **D** **G**

I watched for signs as I came through that door.

C **D** **G**

The anxious eyes that I've been waiting for.

C **D**

It s no use hoping I'm a dream.

Chorus:

G

Oh Marliese

C **D** **G** **C** **D**

The waiting almost brought me to my knees.

G

Oh Marliese

C **D** **G** **C** **D**

You didn't really think I'd leave you in peace.

Intro again

G **C** **G** **C**

It s no use crying out 'cos they can't help you now.

G **C** **G** **G**

You re forced to hear the words I have to say

C **D** **G**

I saw your face when I was taken down

C **D** **G**

You seemed so pleased, you're not so happy now

C **D**

It s your turn to be afraid

(chorus x 2)

G **C** **G** **C**
So whereâ€™s the smooth composure of the movie star
G **C** **G** **G**
You must have played this many times before
C **D** **G**
Do I see tears? Well surely thatâ€™s not true
C **D** **G**
Donâ€™t kid yourself, itâ€™s not worth hurting you.
C **D**
But remember when you try to sleep.

(chorus)
