

Crash

Fit For Rivals

F#m

Don t know where I m going

E

Everybody s running, everybody s running

F#m

Come back, after all is broken

E

Everything is burning, no one is returning

F#m

E

Step back, step back, everybody step back, step back

F#m

C#m

It s time to pick up the slack, the slack, you ought to know

F#m A E

C#m

F#m

Save me, from this wicked person I ve become

A E

C#m

As the world, comes crashing

F#m

Don t know why I m crawling

E

Everybody s running, everybody s running

F#m

Re-spun back to where there s something

E

Everything was falling, trust in what was nothing
