

Out Of My League
Fitz and The Tantrums

Chords used:

Verse - **Am, C**

Chorus - **Am, C, G, F**

I use capo 3 for my voice, but the original doesn't have a capo.
This isn't EXACTLY the same but I like it :)

Am **C**
Forty days and forty nights

Am **C**
I waited for a girl like you to come and save my life

Am **C**
All the days I waited for you

Am **C**
You know the ones who said I'd never find someone like you

Am **C**
And you were out of my league

G
All the things I believed

F
You were just the right kind

Am
Yeah, you were more than just a dream

C
You were out of my league

G
Got my heartbeat racing

F
If I die don't wake me

Am
Cause you are more than just a dream

Am **C**
From time to time I pinch myself

Am **C**
Because I think my girl mistakes me for somebody else

Am **C**
And every time she takes my hand

Am
All the wonders that remain

C
Become a simple fact

(same as before)

That you were out of my league
All the things I believed

You were just the right kind
Yeah, you were more than just a dream
You were out of my league
Got my heartbeat racing
If I die don t wake me
Cause you are more than just a dream

You were out of my league
All the things I believed
You were just the right kind
Yeah, you were more than just a dream
You were out of my league
Got my heartbeat racing
If I die don t wake me
Cause you are more than just a dream
