Fitz and The Tantrums**

We Don t Need No Love Songs  
Fitz and the Tantrums

This is a great song. I tabbed out all the chords that are used. Some of the names look scary but they aren t too difficult to learn. Notice the alternate shape for the Ebmaj7. That shape sounds way better than the more orthodox shapes for maj7 chords you may be familiar with. The ending may not be completely accurate if you re trying to sound exactly like the recording but it gets the job done. Enjoy!
