Verse: **Dm (Dm F) C Dm**  
Chorus: **Dm Bb C Dm**

[Verse 1]

**Dm**  
white is the color  
          **(Dm F) C**  
of my old broke horse  
**C**  
and black is the color  
          **Dm**  
of the german sky  
  
and I m driving in my rusty cage  
call me first in his death  
tell me what the future brings show me where my heart sings  
out of time out of time

[Chorus]

**Dm**  
oooh  
      **Bb**  
wayward child  
**C**  
I m digging up the dirt  
      **Dm**  
driving blind  
  
oooh  
one-tracked mind  
I m loosing up my shirt  
playing wild

[Verse 2]

and gray is the sky  
of the the station lights  
faces are different, but the time keeps us same

and i m waiting for my saving angel  
killing time  
humble, less, more alive  
under fifteen minutes of my life

[Chorus]

oooh  
wayward child  
I m digging up the dirt  
driving blind

oooh  
one-tracked mind  
I m loosing up my shirt  
playing wild
