

Bleeding

Five Finger Death Punch

It s not the same pitch as in the Original Acoustic Version, but you can use the
on the top. Finally I uploaded the chords because I searched for these chords a
very long time
I wasn t alone with this!
Corrections and comments are very welcome!

[Verse 1]

Em
I remember when, all the games began. Remember,
C D
Every little lie, and every last goodbye.
Em
Promises you broke, words you choked on,
C D
And I never walked away, It s still a mystery to me.

[Pre-Chorus]

Em
Well I m so empty,
C
I m better off without you,
D
And you re better off without me.
Em
Well you re so unclean.
C
Well I m better off without you,
D
And you re better off alone.

[Chorus]

Em

The lying, the bleeding, the screaming,
 G **D** [Play these 2 Chords quickly]
Was tearing me apart.

Em

The hatreded, deceiving, disaster,
 G **D**
It s over now.

[Verse 2]

Em

Paint the mirrors black, to forget you, and I
C **D**
Still picture your face and the way you used to taste.

Em

Roses in a glass, dead and wilted,
 C **D**
To you this all was nothing, everything to you is nothing.

[Pre-Chorus]

Em

Well you re so filthy
 C
I m better off without you,
 D
And you re better off without me.

Em

Well I m so ugly,
 C
I m better off without you,
 D
And you re better off alone.

[Chorus]
