It s a nice day when you wake up in Disneyland...

See, In my dream everybody s got a little house
A dog, a bank account managed by Mickey Mouse
The only thing that we fight about is the Lakers...

See, In my dream all the pirates down in Neverland
Never get the Hook... they just get a hand
While the crocs sing Superman till we can t take it...

There she goes... my heart again (do you mind rolling over)
I can feel it in the air (something s coming down)
I don t know and I don t care if it s a small world

It s a nice day when you wake up in Disneyland...
