Nyc Weather Report Five for Fighting

Artist: Five For Fighting Song : Nyc Weather Report Addlybb special Got to get away from here Got to get away from all these thinkers, drinking up my thought again Got to get away from here Got to get away from all these choosers, losers, all my best of friends Em Sit back New York City You re not cute but you re oh so pretty D When the rain falls you come up again Sunny, you are a part of me Sunny, you are the heart of me Got to get away from here Got to get away from all these people who need people, You know it really makes me sick Got to get away from here Got to get away from expectations, recreations just for the sake of it Em Sit back New York City You re not cute but you re oh so pretty D When the rain falls you come up again Sunny, you are a part of me Sunny, you are the heart of me D Sit back New York City You re not cute but you re oh so pretty When the rain falls you come up again Sit back New York City friend Got to get away from here Got to get away from what I m thinking I m thinking it s too much for anyone

Got to get away from here

1

Got to get away from what you re drinking, you re drinking, so I ll take another one
