What If
Five for Fighting
Intro: A G C F (x2)
Αm
Threw a line out to pull you to me
If you don t get it, then you don t get it
You made your mind up before you knew me
If you don t get it, then you don t get it
Take my hand for a minute.
                               Am
We re in it - imagine all the pain that might be forgiven
Am
What if I had your heart?
             G
What if you wore my scars?
How would we break down?
What if you were me and what if I were you?
Am
What if you told my lies?
What if I cried with your eyes?
Could anyone keep us down?
What if you were me? What if I were you?
Am
Had a dream of a new tomorrow.
If you don t get it, then you don t get it.
I took a step hoping you might follow.
If you don t get it, then you don t get it.
Take a chance for a minute. Jump in it.
```

Imagine if you asked yourself for a minute:

Am F
