Bb

Bb

It's half past midnight, going on tomorrow

Eb **Bb**

Baby can you stay a while

Bb

There's lots more moonlight, coming through my window

Eb **F** **Bb**

And you're no longer just a child

Bb

When midnight comes you're just like Cinderella

Eb **Bb**

Though the night has just begun

Bb

I looked at my watch but I didn't want to tell ya

Eb **F** **Bb**

I knew that you'd wanna run

(Cinderella run)

G#

Same thing, every time the clock on the wall chimes,

Bb

you say

G#

It's late even though the night is young, must go,

F

Can't stay

repeat

Bb **G#**

Cinderella run
