Half Past Midnight
Five Man Electrical Band

B

B
Itâ€™s half past midnight, going on tomorrow
E **B**
Baby can you stay a while
B
Thereâ€™s lots more moonlight, coming through my window
E **F#** **B**
And youâ€™re no longer just a child

B
When midnight comes youâ€™re just like Cinderella
E **B**
Though the night has just begun
B
I looked at my watch but I didnâ€™t want to tell ya
E **F#** **B**
I knew that youâ€™d wanna run

(Cinderella run)

A
Same thing, every time the clock on the wall chimes,
B
you say
A
Itâ€™s late even though the night is young, must go,
F#
Canâ€™t stay

repeat

B **A**
Cinderella run
