Five

CHORUS:

Don t wanna let you go **Am**  
We just wanna tell you **G C**  
Just wanna let you know **Am**  
That we ll stay around **F E**  
So what else can you do **Am**  
You ve said all you have to **G C**  
We re coming after you **Am**  
So don t make a sound **F E**  
(Don t wanna let you go) **Am**

**Am**  
I got this feelin  
Could it be there s someone watching over me **C E**  
Tell me who you are  
**Am C**  
I close my eyes and count from nine  
To try and find some peace of mind **E**  
But it s gone too far

**Am**  
You see our faces every time you turn your head around  
**C**  
We ll be watching even when you turn the lights down  
**Am E**  
We will always be around, no matter where you are

CHORUS

**Am**  
I m all alone now in the dark

**C** **E**  
Just one chance just so we can talk  
That is all I ask

**Am**  
I close my eyes and then I dream

**C** **E**  
I always wake up to a scream  
Wonder where you are

**Am**  
Don't you know we're always gonna be around you

**C**  
And there really isn't anything you can do

**Am** **E**  
We will always be around, no matter where you are
