

**Its The Things You Do**  
**Five**

CHORUS:

**Dm** **E**  
It s the things you do, that have made me fall  
**Am** **E**  
So in love with you, you can have it all  
**Dm**  
What else can I do  
**E**  
Nothing left to prove  
**Am**  
It s the things you do

**Am**  
You touched my love line so deep inside I  
**F** **E**  
never thought I d feel so good  
**Am**  
Oh no need to hide now, open up your mind now  
**E** **Am**  
Let me make it understood because

**Dm** **Am**  
Nobody ever said to me  
**G** **Am**  
All of the things we shared within  
**Dm** **Am**  
Now that I know that you can see  
**E** **Am**  
Let me fill you up

CHORUS

[Rap]

**Am**  
You and me baby like the ABC K-I-S-S-I-N-G  
**F** **E**  
Could it be unity I need like J Hoffa  
**Dm** **G**  
Romance your body work it out - MM proper  
**Am**  
One of the finest things on my mind is  
how you make me feel like gold your queen midas

**F**

Straight A plus the material I bust

**E**

It s the things that you do

Keep me up and it s a must

**Dm**                      **Am**

Nobody ever said to me

**G**                                      **Am**

All of the things we shared within

**Dm**                                      **Am**

Now that I know that you can see

**E**                                      **Am**

Let me fill you up

CHORUS

**Dm**                                      **Am**

Give me a chance and let me in

**G**                                      **Am**

There s no need to hide what s there within

**Dm**                                      **Am**

Now that I know that you can see

**E**                                      **Am**

Let me fill you up

**F**                                      **E**

You got that midas touch

**C**                                      **D**

I love you more than enough

**F**                                      **E**

For all the things that you do

CHORUS
