

**When The Lights Go Out**  
**Five**

This is my interpretation of the album (UK) version. Incredible song with interesting chord progression.

[Intro]

**C**                      **Dm**    **A/C#**    **C**    **G/B**    **Bb**    **A**  
Baby when the lights go out  
   **Dm**    **A/C#**    **C**    **G/B**    **Bb**    **C**  
I ll show you what it s all about  
**Dm A Dm**

[Verse]

**Dm**                                      **A**                      **C**  
I ain t sorry for the way I feel  
   **Gm**                      **Bb**  
I know you think I m being insincere  
   **A**  
From the way I m treating you  
**Dm**                                      **A**                      **C**  
I never wanted to be so unkind  
   **Gm**                      **Bb**  
The only one thing on my mind  
   **C**  
Is just kicking it with you girl

[Pre-chorus]

**Bb**                      **C**                                      **Gm**  
Baby it s not the way I feel, you know you must believe me  
**Bb**                      **C**                                      **D**                      **Dsus4 D**  
Baby it s not part of the deal (oh no no)

[Chorus]

**Dm**                      **A/C#**  
Baby when the lights go out  
**C**                      **G/B**                                      **Bb**                                      **A**  
Every single word can not express, the love and tenderness  
   **Dm**    **A/C#**  
I ll show you what it s all about  
**C**                                      **G/B**                                      **Bb**                                      **C**  
Babe I swear you will succumb to me, so baby come to me  
  
When the lights go out  
**Dm A Dm**

(Repeat [Verse][Pre-chorus][Chorus], the rap part is the same as [Chorus])
