World Of Mine Five Five- Kingsize Track 14- World of mine Tabbed by Mr. Uranium (2002.7) It's best and easy to handle. Special secret track in the Kingsize: The name should be called Friend of mine! Intro: G (1 pick) D(solo) C (solo) D (2 solo) G (1 solo) Verse: (Solo) C I've been trying to ease my mind, From this life that I have been thrown into. C D I no longer know who to trust, They keep hurting me no matter what I do. C It's a big world out there, and sometimes it can swallow you up and never give up yeah. Chorus: (back to Chord) I've been trying to find a friend in this crazy world. And the more that I try to find a friend in this crazy world. G C I'll sail to seven seas. I would climb a mountain high. $\hat{a} \in |\hat{a} \in |\hat{a}$ To get you in this world of mine. X3 Verse: C D

I've been dying to meet someone, Just to share all the things other people do $\bf G$ $\bf D$ $\bf C$ $\bf D$

Just a laugh or a cry, Just a simple goodbye, I will see you soon, would do

C D C D

I promise you I won't let you down. Come to me, I will make you see yeah

Chorus

(****1- No chord, 2-4 Chord D with end C,5 Chord D, no in middle,C)

To get you in this world of mine X5

D C

Iâ€ $^{\text{m}}$ ve been searching for someone to care \mathbf{D} \mathbf{C}

```
Someone who'll always be there
Chorus (Solo)
To get you in this world of mine
Chorus: (Back to chord)
G (1 pick) D
                                                                                                                          C
I've been tryin (I'm tryin ) to find (I'm dying) a friend
 (I'm fighting) in this crazy world (I'm fighting for you)
G (1 pick)
And the more that (I'm tryin ) I try (I'm dying) to find
A friend (I'm fighting) in this crazy world (I'm fighting for you)
                                          C
I'll sail the seven seas
                                                        D
I would climb a mountain high
Bridge:
                                     (solo)
To get you in this world of mine
                                        (solo)
                                                                                                                                                                                                Repeat whole Bridge X3
To get you in this world of mine
\hat{a} \in |\hat{a} \in |\hat{a}
