Intro:

You know what it is,

I love it(fade)

Let s talk about it.

when ever you are actually playing the asus2, Bm(3fr), and Bm(8fr), it is always constant stumming.

Verse 1:

Your boy s been a Christian, quite a few years,
Victory in faith, but I failed in my fears,
I heard a lot of words that have tickled many ears,
that s why I praise God for the word that we adhere.
The word became flesh, lived for thirty years,
Died at 33, but after days reappeared,
Jesus Christ anointed one ascended in the air,
Or you can say the air where the Father made Him heir.

Asus2

Of all things the throne know it s more than a chair,

Man I m tryin to lift Him high,

higher than the stars,

I am not of this world like I m from the planet mars,

I love to preach Jesus you can read it in my bars,

I m pretty straight forward when I m speakin bout my Lord.

(for the guitarist part, play the small E string on the 12 fret)

He paid the sin price being beat by Roman guards,

But when He resurrected gave His life free of charge,

Now me and my boys need to be in a phych ward,

Cause we went crazy for God our lives was scarred.

Asus2

Now in the book of Life, our names have been written down,

Bm(3fr)

We re casting our crowns before His feet on the ground.

Bm(8fr)

Asus2

It s such a holy melody and heavenly sound,

Bm(3fr)

One day we gon be out man, like three strikes,
And home son like a home run CHRIST,
