Maniac
Flames

[Intro]
G# F# E D#

[Verse]
       G#
Well you just gotta see a pretty girl walking down the street

                                        Fm
And it seems as if you re swept right off of your feet
        C#   **D#**
Well your heart starts-a beatin fast
      C#   **D#**
Yeah I know that it cannont pass
   G#   **D#**   **A#m D#**
Well you re just a maniac when it comes to love

[Verse]
    G#
Well how many girls have you had in the past month

                                  Fm
You ve had so many that I have even lost count
           C#   **D#**
Well there was lolipop and uh Peggy Sue
 C#   **D#**
Mary Diane and lots of others too
    G#   **D#**   **G#**   **G#7**
Well you re just a maniac when it comes to love

[Chorus]
        C#   **G#**
Oh, oh, oh, maniac, whatch out what you re doing
 C#   **G#**
Maniac, this might be your ruin
 C#
You might never settle down
G#   **D#**   **G#** **D#**
You might end up the lonliest guy in town

[Verse]
       G#
Well you just gotta see a pretty girl walking down the street

                                   Fm
And it seems as if you re swept right off of your feet
        C#   **D#**
Well your heart starts-a beatin fast
      C#   **D#**
Yeah I know that it cannont pass
   G#   **D#**   **G#**

Well you re just a maniac when it comes to love

[Chorus]
```
              C#                                      G#
Oh, oh, oh, maniac, whatch out what you re doing
  C#                            G#
Maniac, this might be your ruin
  C#
You might never settle down
G#                      D#                G#     D#
You might end up the lonliest guy in town
```

[Verse]
```
          G#
Well you just gotta see a pretty girl walking down the street
                                                      Fm
And it seems as if you re swept right off of your feet
          C#                          D#
Well your heart starts-a beatin  fast
        C#                        D#
Yeah I know that it cannont pass
      G#                  D#                  G#
Well you re just a maniac when it comes to love
    G#                    D#                  G#
Oh you re just a maniac when it comes to love
```

[Fade]
