Verse 1:

G **D** **Em** **C**
Lost my cool at a brand new school where the kids all smelled kinda strange
G **D** **Em**
and I threw my chair when I caught the teachers glare as she called me
A
little mary jane
G **D** **Em** **C**
All the ribbing that i god damn took from the kids left my ego in a whirl
G **D** **Em**
And the kids would say as i sat amd watched them play hey the kid are you a
A
boy or a girl?

Refrain:

G **B** **E** **A** **G**
Praise the day i m old and grey and don t look much like a girl and the kids
B **E** **A** **C** **D**
all come and dance in the streets proclaiming me the king of the world
E A G A

Bridge:

E **B** **A**
Illistarte my weekly pass comes across as feeling crass submit for credit or
E
just share your thoughts.
E **B** **A**
Search my archive for a joke a thousand drives and beers and hopes look out
G **E** **B**
god i m gonna die. My black candle won t stop smoking even thought i blew
A **E** **E** **B**
it out my stigmata are signs of disease. Reputation as the finest burnt
A **G**
your bridges to be sane look out god im gonna die.

(Play the last verse in open position till it gets to C)

G **D** **Em** **C**
In the end i will surely transcend all the things i was never meant to be.
G **D** **Em**
And with some skill and a little good will on ladies night i ll get in bars
A
for free

(Then goes back to the refrain)
