

All I Wanna Do
Flatliner

FLATLINER

intro/verses: C D C
C D C
Chorus: F G Am
F G Am
F C G Am
F G Am

These are the correct chords for sure but i think that there are a few more power chords in there towards the end. I dont know all the lyrics so i just didnt down at all. Butthis is pretty much all the chords and there might be some lead in there but im not sure.

HAVE FUN!
