Flatsound

Capo 2

[Verse]

A

I can always pick up books

D

in the search of what I need

E

D

but that doesnâ€™t help me any

A

if youâ€™re impossible to read

E

D

so if you love me, if you love me

A

come clean

A

these monsters in my closet

D

are watching over me

E

D

the days are getting shorter

A

and at night itâ€™s hard to sleep

E

D

the combination of all of this

A

is the death of everything

E

D

so if you love me, if you love me

A

hurry

A

because I donâ€™t think that wasting

D

a second of this time

E

D

would benefit the outcome

A

of the life I had in mind

E

D

Iâ€™ll refer to you as my special love

A

the one that set me free

E

D

so if you love me, if you love me

A

come clean

E **D** **A**
waiting around until things grow old
E **D** **A**
Iâ€™m feeling lost in towns that were my home
E **D** **A**
and if everything was easier before
E **D** **A**
then weâ€™ll go back to who we were
A
so Iâ€™m picking up a book
D
in the search of what I need
E **D**
from religion, to fiction
A
being lost about at sea
E **D**
and all I can imagine
A
is being brushed against your cheek
E **D**
so if you love me, if you love me
A
come clean
