

F G Am Am G F

You ve touched me with your love

**Am**

And though you re in my heart

**F**

**G**

**Am**

We re still a world apart

**Am**

As now I m back to the time

**Am**

Where I would search for a dream

**G**

But no use to try anymore as before

**Am**

Someday I ll die, and maybe then I ll be with you

Second solo:

**C, Am, C, Am,**

**Am**

So I m closing my eyes

**F**

**G**

**Am**

To hear the people laugh

**Am**

For they re all aglow

**F**

**G**

**Am G D G**

Not knowing where to go

**G**

But is it asking too much

**G**

**G D Em**

When the question is what to do

**G**

With the life I ll have

**G**

It seems I know nothing now

**G**

**G D Em**

**Em**

Except my love for you

**Em**

And the strength in my hands

Em

Em

To go on feeding your smile

A superb ballad from Peter Green. Let me know if you spot any mistakes!
