G

You ve touched me with your love

Αm

Am G F

```
Am
   And though you re in my heart
F
                              G
                                               Αm
   We re still a world apart
Am
   As now I m back to the time
Am
  Where I would search for a dream
G
   But no use to try anymore as before
Am
   Someday I ll die, and maybe then I ll be with you
Second solo:
C, Am, C, Am,
Am
   So I m closing my eyes
F
                                         Am
   To hear the people laugh
Am
  For they re all aglow
                            G
                                    Am GDG
F
  Not knowing where to go
G
   But is it asking too much
                         G
G
                             D Em
   When the question is what to do
G
   With the life I ll have
G
   It seems I know nothing now
G
                       Em
                               Em
   Except my love for you
Em
  And the strength in my hands
```
