Do you always trust

How the faces of love

Am G D Em7 D/F# D7/A G

Your first initial feeling

have changed, turning the pages

D/F# Em G/B D7sus4/A

Special knowledge holds true;

And I have changed, oh but you,

G D Em7 D/F# D7/A

bears believing

you remain ageless

G D7sus4/A Gmaj7/B C Gmaj7/B

I turned around and the water

Am7 G D Em D/F#

was closing all around

D/F# G Cmaj7 G/B

like a glove, like the love

D7sus4/A G D C

that had finally, finally found me

D Em D/E Em

Then I knew

Cmaj7 D Em D/E Em

in the crystalline knowledge of you

C D Em D/E

Drove me through the mountains

Em C D Em D/E Em

through the crystal-like and clear water fountain

Drove me like a magnet

To the sea

to the sea
