## Say You Will Fleetwood Mac

Fleetwood Mac Say You Will

Capo on 3

Hint for rhythm of the verse:

1 bar G half bar A half bar D

1 bar G half bar A half bar D

2 bar G

Repeat this twice and you will have a whole verse.

Verse

G A D G A D

Somethin in you brought out somethin in me, that I ve never been since

G A D

That part of me that was only for you,

G

That kind of romance

G A D

Comes only once, that kind of love

G A D

That kind of fever dance

G A D G

That you love because you become someone else in an instant

Chorus

D Em

Say you will, say you will give me one more chance

F#m G

At least give me time to change your mind

A Bm F#m

That always seems to heal the wounds, if I can

G

Get you to dance

Somethin in you put a hold on my heart

It s hard to believe now

Here in the place that will never be dark

I remember that place...

That kind of touch, electricity of love

That certain kind of grace

That you love because you become someone else in an instant

```
