

## Storms

Fleetwood Mac

[Verse]

[D]Every night that goes be[G]tween  
I feel a [A]little [Bm]less  
As you [D]slowly go away from [G]me  
this is only an[A]other [Bm]test

And [D]every night you do not [G]come  
your softness [A]fades a[Bm]way  
Did I [D]ever really  
care that [G]much?  
Is there anything [A]left to [Bm]say?

[Chorus]

[G]Every [Bm7]hour of [D]fear I spend  
my [G]body [A]tries to [Bm]cry  
[G]living [Bm7]through each [D]empty night  
a [G]deadly [A]call inBmside

[Verse]

So I [D]try to say goodbye my [G]friend  
I d like to leave you with [A]something [Bm]warm  
But [D]never have I been a blue, calm [G]sea  
I have always [A] been a [Bm]storm

[G]always [A] been A [Bm]storm  
ooh, [G]always [A] been A [Bm]storm  
I have [G]always [A] been A [Bm]storm [G]  
[D] [A7] [D] we [G]were frail  
[D] [A7] [D] [G]  
[D] [A7] [D] She said  
[G]every night he will [D]break your [A7]heart [D]  
I should have [G]known from the first  
[D] I d be the [A7]broken hear[D]ted [G]  
[D] [A7] [D]  
I [G]loved you from the start [D] [A7]  
[D] Save us [G] [D] [A7]  
And not [D] all the prayers in the world  
save [G]us. [D] [A7]
