

Thats Alright
Fleetwood Mac

B **F#**
Meet me down by the railway station
E **B** **F#** **C#m**
I ve been waiting and I m through waiting for you
E
The train sings the same kind of blues
B **F#**
Well I don t know why I always trusted
E **B**
Sometimes I think that I must have,
F# **C#m** **E**
I must have been crazy, crazy to wait on ya baby

G#m
Well I turned around and got pushed down, baby
F# **C#m**
Now I decided yesterday that I would leave you
E
I m alright

B **G#m**
Please I ve been takin my time
B **G#m** **B**
You know it s been on my mind
F# **C#m**
I hope you find a love, your own designs of love
E **B**
that s alright, that s alright.

B **F#**
Now I believe, I believe that I know you
E **B** **F#**
cause we been a long time, now I got to show you
C#m **E**
that I , well I never did believe in time
G#m
you know, changin anybody s mind
F# **C#m**
Now I can t define love like it should be
E **B**
but that s alright, that s alright.

(Chorus)
