**C**

Was it in my mind

**G**

Or was it true

**F C**

That woman used to Hollywood living

**G**

Do you remember how

**F C**

The angels sang

**E Amin**

And your sorrows left you there

**E Amin**

Right before the lights came up

**C F**

Do you remember

**C**

You took my hand

**G F C**

Do you remember, my friend

**C**

Did you feel like it was

**G F**  
The second time with you,

**C G**  
That feeling of a vivid memory

**G F**  
Well it had to do

**C (hold) F (hold) C (hold) C (picking again) E**  
With a dream come true

**E Amin**  
And someone that you loved

**E Amin**  
And would always love

**C F**  
The second time around

**C**  
For us

**G F E**  
She never looked back

**E Amin**  
Someone that you loved

**E Amin**  
And would always love

**C F C**  
The second time around, for us

**G F C**  
She never looked back

**C**  
She could never look back
