

Think About Me
Fleetwood Mac

Tabbed out by using Camper Van Beethoven version. However, it s basically the same for both versions.

Intro: **F**

VERSE 1:

F
All it took was a special look
 Fsus4 **F**
And I felt I knew you before
C **Dm**
Didn t mean to love you
 Fsus4 **F**
Didn t think it would work out

VERSE 2:

F
But I knew we would be together
 Fsus4 **F**
And I couldn t wait for more
C **Dm**
But what can they say
 Fsus4 **F**
It s not against the law

CHORUS:

F **C**
I don t hold you down
F **Dm**
Maybe that s why you re around
F
But if I m the one you love
Fsus4 **F**
Think about me.

VERSE 3:

F
I believe that you really want me
Fsus4 **F**
But it s not easy, just to give in
C **Dm** **F**
So let yourself go, and let love begin.

REPEAT CHORDS

CHORUS 2x

OUTRO (Repeats same chords)
