

Think About Me
Fleetwood Mac

Tabbed out by using Camper Van Beethoven version. However, it s basically the same for both versions.

Intro: **E**

VERSE 1:

E

All it took was a special look

Esus4 **E**

And I felt I knew you before

B **C#m**

Didn t mean to love you

Esus4 **E**

Didn t think it would work out

VERSE 2:

E

But I knew we would be together

Esus4 **E**

And I couldn t wait for more

B **C#m**

But what can they say

Esus4 **E**

It s not against the law

CHORUS:

E **B**

I don t hold you down

E **C#m**

Maybe that s why you re around

E

But if I m the one you love

Esus4 **E**

Think about me.

VERSE 3:

E

I believe that you really want me

Esus4 **E**

But it s not easy, just to give in

B **C#m** **E**

So let yourself go, and let love begin.

REPEAT CHORDS

CHORUS 2x

OUTRO (Repeats same chords)
