## Think About Me Fleetwood Mac

Tabbed out by using Camper Van Beethoven version. However, it s basically the same for both versions.

Intro: G VERSE 1: All it took was a special look Gsus4 And I felt I knew you before Em Didn t mean to love you Gsus4 Didn t think it would work out VERSE 2: But I knew we would be together And I couldn t wait for more Em But what can they say Gsus4 G It s not against the law CHORUS: I don t hold you down F:m Maybe that s why you re around But if I m the one you love Gsus4 Think about me. VERSE 3: I believe that you really want me But it s not easy, just to give in So let yourself go, and let love begin. REPEAT CHORDS CHORUS 2x

OUTRO (Repeats same chords)
