When The Sun Goes Down
Fleetwood Mac

```
G#                                              C#
When the sun goes down and the moon shines bright
Eb
Honey if you call my name, I will take away your pain
                                 G#
I will take good care of you tonight

Eb
Somebody broke your heart, tore your world apart
              C#      G#          Eb
But that s all over,     it s a brave new day
Eb
Somebody made you cry, took away your pride
                C#      G#            Eb
But that s all over,     let s be on our way

G#                                               C#
When the sun goes down and the moon shines bright
Eb
In my arms it s safe and warm, I give you shelter from the storm
                                G#
I will take good care of you tonight

Eb
Somebody made you sad, treated you so bad
              C#      G#            Eb
But that s all over-    I won t let you down
Eb
Well he was just a fool, wonder why so cruel
              C#       G#           Eb
But you ll forget him,    when I come around

G#                                               C#
When the sun goes down and the moon rises high
Eb
Honey open up your door and you won t have to hurt no more
                               G#
I will take good care of you tonight
```

```
      C#                    G#         C#                G#
Well step out of the shadows, let the night begin
C#                    G#                 Bb     C#        G#
When you hear me knockin , let me iiiiiiiiiiiin
