

Fade Into You
Flickerstick

This is one song flickerstick likes to cover live. Its original artist is Mazzy Star. But it is an awesome song. Just repeat the three cords over and over again following the rhythm of the song. Just listen to the song, its easy to follow. Hope you enjoy.

A E Bm

I want to hold the hand inside you
I want to take the breath that s true
I look to you and I see nothing
I look to you and see the truth

You live your life and you go in shadow
You ll come apon and you ll go black
Some kind of night into your darkness
Colors your eyes with what s not there

Fade into you
Strange you never move
Fade into you
I think it s strange you never move

You re strange light comes on slowly
A stangers heart without a home
You put your hands into your hair
And noon smiles cover your heart

Fade into you
Strange you never move
Fade into you
I think it s strange you never move

Fade into you
Strange you never move
Fade into you
I think it s strange you never move

Thanks and enjoy!!!!
