Friends

G

Flight of the Conchords

It is probably most important to know how the rhythm goes before starting, it is a very song.

Intro: D, A, D, A, D Friends sing together (No note) La la la la Friends do things together (No note) La la la la Friends laugh together (No note) Ha ha ha ha Friends make graphs together (No note) La la la la Friends help you when your in danger Friends are people who are not strangers Friends help you shift to a new place Tell you if you ve got food on your face Friends are the ones only you can depend He s my friend, he s not my friend Friends are the ones who are there in the end He s my friend, their not my friends If you trip over i ll catch your fall If you kick my dick I wont break your balls If you get drunk and vomit on me, I ll make sure you get home safely

```
If you cross the road and a truck struck you
I ll scrape you up and reconstruct you
I ll cheer you up if your depressed
If you get murdered, I ll avenge your death
Friends walk together
(No Note)
La la la la
Bump and lock together
(No note)
Robot noises
Me and him forever
(Note note)
La la la la
                   D
Me and Jim forever
Friends go jogging at the track
Friends borrow money, never pay it back
Friends do not let friends do crack
Friends go out and grab a snack
Friends drink beer in the sun
Unlike girlfriends they don t mind if you have more than one
Friends tell you when your flys undone
(Whispers) Murray, your flies undone
My uncle John had a special friend
They dressed alike, his name was Ben
I ve never seen two friends like them
Thy were very very friendly men
La la la la
(No note)
Friends friends friends
La la la la
(No note)
Friends friends friends
```
